Hi LaGayla,

As you can see from David's response and my original message to him concerning the Gold King Mine response, we will not be able to provide a response by 8/14 and need a significant extension.

Thank you!

David,

With the 8/14 response date for this FOIA approaching, I wanted to check with you and see if you have been able to contact Mr. Grisham. I will be involved periodically over the course of the Gold King Mine response which will limit my availability to some degree. Given the response deadline, do you want me to request an extension?
